**ROOSEVELT IN  
ALBUQUERQUE****Denounces Secretary of War  
Baker and President Wilson  
as Wholly Unfit.**

Albuquerque, N. M., Oct. 23.—Theodore Roosevelt was given a cordial reception here today.

After breakfast he was the central figure in a parade. There was a mounted escort, included a dozen former "roughriders" and two cow-boys, who presented Colonel Roosevelt with bouquets and were thanked and complimented.

Colonel Roosevelt spoke from a platform erected in front of a downtown hotel.

He denounced Secretary of War Baker for the latter's reported comparison of Washington's soldiers with Mexican revolutionaries and criticized the president for putting Secretary Baker in the cabinet in the first place and for keeping him there after the reported comparison.

"This statement of Mr. Baker's, acquiesced in by the silence of Mr. Wilson," said Colonel Roosevelt, "shows that Mr. Wilson, in his heart, believes that Washington was no better than Villa or Carranza; that the men of the revolution stood on a level with the miscreant crew who during the last three years and a half in Mexico have murdered Americans by the tens of thousands. These have perpetrated every sort of outrage upon women and have turned all of Mexico into hell of starvation, disease and misery; they have done this with the active or passive assistance of the American government under lead of Mr. Wilson; and Mr. Wilson's cabinet officer now defends them by the foulest slander on the men who made us a nation."

Colonel Roosevelt said that the man who professed such doctrines "was wholly unfit to stay in the cabinet and the president who retained him was wholly unfit to remain president of the United States."

Colonel Roosevelt is to speak at Las Vegas, N. M., tonight.
